OFFICIAL CFO TAPE ARCHIVE

We are the official archive for CFO tapes. Tapes may be borrowed for a period of 4 weeks, and non-copyrighted tapes may be purchased

(NOTE: If you have tapes of speakers, old and new, please send us copies for the archive, so that others may enjoy them, too.)

OFFICIAL OSL TAPE LIBRARY

Sorry, but the tapes in the Order of Saint Luke library are for sale only. They may not be borrowed. Those are the terms under which the library operates.

WHY LISTEN TO TAPES?

When it comes to a strong faith, we Christians leak. We are like cracked, leaking pots (2 Cor. 4:7). We must keep refilling ourselves if we want to be strong and ready for every challenge and every opportunity. Listening to faith building tapes is one way to keep

faith strong – to be enthused by others' enthusiasm. God told Joshua that his way would be prosperous if he meditated on God's words day and night (Jos. 1:8).

AUDIO/VIDEO SERVICES

We offer the following audio and video services:

- Transfer your slides, pictures, and home movies to video tape, including your own narration and music background
- custom duplication of both audio and video tapes
- on site audio and video recording of your event, teaching, etc.
- post production editing for both audio and video
- brochure design and printing

MUSIC TAPES NO LONGER AVAILABLE

Copyright Laws make the cost of providing music tapes prohibitive.

DISCLAIMER

If you find any New Age teaching or other strange doctrines in any of the messages on these tapes, please bring it to our attention. We rely on the reputation of the speakers, and of the judgment of the people who donate tapes to the library, to be sure all messages are of sound doctrine. Inclusion of a particular message does not mean that we endorse the theological position or interpretation of the speaker. We are not promoting any doctrine or denomination.

WHAT TAPES CAN DO FOR YOU

1. Grow Faith

"Thy faith hath made thee whole... According to your faith be it unto you." (Mt. 9:22, 29)

"O thou of little faith, wherefore didst thou doubt?" (Mt. 14:31)

"...verily I say unto you, If you have faith as a grain of mustard

seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you." (Mt. 17:20)

*Without faith it is impossible to please him..." (Heb. 11:6)

"So then faith cometh by hearing, and hearing by the word of God." (Rom. 10:17)

2. Study And Wisdom

'Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth... All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works.' (2 Tim. 2:15; 3:16, 17)

"Beware lest any man spoil you through philosophy and vain deceit, after the rudiments of the world, and not after Christ." (Col. 2:8)

"My people are destroyed for lack of knowledge." (Hosea 4:6)

3. How To's, Tips, & Applied Knowledge

"They continued steadfastly in the apostle's doctrine and fellowship." (Acts 2:42)

"Howbeit when he, the Spirit of truth, is come, he will guide you into all truth." (John 16:13)

"And he gave some...teachers; for the perfecting of the saints, for the work of ministry, for the edifying of the body of Christ." (Eph. 4:11-16)

RULES FOR ORDERING AUDIO/VIDEO TAPES

1. You may borrow as many tapes as you can use in four weeks. If you want to keep the tapes for a longer period, please ask..

2. We do not require a deposit or charge a rental fee for the videos. However, we do ask that you be very careful of the videos, as some are very expensive, and could cost up to \$100 to replace. Generally we do not loan out original copies unless we absolutely must because of copyright laws.

3. Videos are very expensive. Some of these were purchased from memorial money in memory of my father. Some have been donated. We would greatly appreciate gifts of videos if you have any you think others might enjoy. Teaching videos must be by reputable speakers.

5. Tapes are sent media rate unless you request PRIORITY MAIL. A return label and a new order blank are included with each order.

The Shepherd Ministries Story

We share the Shepherd Ministries story with you both to tell you who we are, and as one example of God working with and guiding through events that do not appear at first to have anything to do with divine guidance. It started with our own need to feast continually on the Good News in order to bring "fresh news from heaven" to our churches. Many of the excellent tapes we fed on came from *"The Lord's Own Tape Ministry"*, directed by Daniel and Becky Beutler.

Many of the messages were so good we made copies to keep and share with others. We began to build a library of Golden Treasures.

Copying tapes from one tape recorder to another was tedious and time consuming. I "bought" a high speed tape duplicator. I had to find ways to make it pay for itself, contacted the Full Gospel Businessmen's Fellowship and Women's AGLOW chapters in a nearby city. They had been praying for some one to tape their meetings! I was in business.

I soon discovered that I had a very good money maker on my hands. Many a night I came home from an FGBMFI or AGLOW meeting with enough money to buy groceries. A CFO camp let me tape their camp. We ended up with money enough to take a few days vacation! And the best part of it was that a real tape

ministry was developing as we were enabled to share the tapes.

When I saw the potential for profit in cassette duplicating, I got excited. Here was a way for us to attend exciting conferences and meetings, and have all our expenses paid, too. Sure, it would be a lot of work. But just think of the opportunities to listen and meet some of the really great Bible teachers and charismatic leaders. We knew that with God blessing and prospering our tape ministry, we could do it. I prayed hard. I dedicated the tape ministry to God, and asked Him to prosper it in every way. I was so serious about it that I even told God, "I'll do with this tape ministry anything You want me to do." Little did I know that that was exactly what God was waiting to hear.

It didn't take Him long to take me at my word. One night at a prayer group I heard myself say, "You can have all the tapes you want at cost!" I hadn't planned to say that, and when I heard the words I thought, "That's generous of me!"

Imagine my surprise at the next meeting of the prayer group when I heard myself say, "You can have all the tapes you want for free!" When we got home my wife, Helen, and I prayed about this. The answer was definite. We were to begin giving the tapes away, both to those who requested them, and to those to whom we were led.

We had a problem on our hands. Not only had the taping and duplicating brought us in extra money for groceries, etc., but we had purchased additional equipment and owed the bank and a supplier over \$2,500! There was no way we could pay the debts and buy new supplies if we gave the tapes away. We had to obey God. We told God we would make a deal with Him. We would officially give Shepherd Ministries to THE SHEPHERD, and give the tapes away free, if He would bring in the money to pay off our debts.

And what a provider He turned out to be! In the first six months He brought in over \$4,400! The debts were all paid and fresh supplies

purchased. He made more money giving the tapes away than we had made selling the tapes! Praise the Lord!

Since we were giving all the tapes away and were depending on free will donations, we incorporated as a nonprofit organization so that we could give tax credit. Since then we have added thousands of tapes, and expanded into video tapes and video production and editing.

The primary destroyer of God's people is a lack of knowledge (Hosea 4:6). Jesus wants His people to grow in faith and learn how to stand on His Word, and live victorious and prosperous lives as His Word promises. People who are just learning how to look to God as their source, are most in need of these faith building tapes and least able to afford them. For these people God says, *"These tapes are My gift to you because I love you and want you to grow strong in your walk with Me."*

The tapes are free loan, and you are encouraged to wear them out listening to them and sharing. If you wear them out, we will replace them. Please encourage those with whom you share the tapes to become regular users of the library, too.

Please do not make copies of those tapes that are copyrighted. Not only is it illegal to make copies of the copyrighted tapes, but it also violates the agreement by which we are allowed to make the tapes available to you.

The Shepherd Ministries Free loan Tape Library (continuing the ministry of Daniel and Becky Beutler's *"The Lord's Own Tape Ministry"*) is supported entirely by the gifts and donations of friends responding to God's urging. All contributions received for the Free Loan Tape Library are used for the library.

We pray that these tapes richly bless you.

VT040 Understanding Creation - with Kenneth Copeland

An examination of the preponderance of evidence supporting the Biblical story of creation. Included is a model of how the earth looked and functioned prior to the Flood, evidences of tools and life from the pre-Flood period, and evidences that man and dinosaurs actually lived together prior to the Flood.

<<VT041-VT045 Creation in Symphony Series>>

This series of five videos gives detailed scientific support for Creation by God, and shows why it is scientifically impossible for life to have evolved by chance. The earth is a lot younger than you think, and geology itself supports the youth of the earth.

VT117 The Spirit Filled Life

A message by Charles F. Stanley

VT119 Apocalypse - Caught In the Eye Of the Storm

A motion picture so powerful, so timely, and so Biblically accurate that you will be gasping for breath from the very first frame of the movie. The story: A world in chaos after the Rapture of the Church brings about the disappearance of millions! Two network reporters discover the "secret" of the disappearance and give their hearts to Christ. but will they be able to survive the persecution of the antichrist and get their message out to the world?

VT120 Apocalypse II – Revelation

Continues where Apocalypse left off. It is a gripping, explosive film experience set against a backdrop of the world of high technology/virtual reality that challenges the notions of good and evil and probes the depths of deception and betrayal. But through the inferno of violence and deceit emerges a passionate and powerful portrait of those men and women of faith who are willing to give everything in the name of God, and who are willing to endure.

VT123 Apocalypse III – Tribulation

Imagine waking up one day and finding yourself living in the heart of the Great Tribulation. That is the stunning premise of the new action-thriller.

VT124 The Mysterious Bible Codes – Tape 1

Startling and authoritative discoveries have been buried beneath the surface text of Hebrew Scriptures for over 3,000 years. Compelling computer animation with convincing documentation graphically illustrated will demonstrate to even the most skeptical mind the supernatural origin of the Scriptures. Only in this generation through modern computer technology could the Bible Codes truly be discovered, revealing the names of "Arafat", "PLO", "Shimon Peres", "Peace Treaty", the "Oklahoma bombing" and so much more. No other literature subjected

to this "decoding" has given any intelligible results.
